The Trustees of Lawrence Township met in regular session at 7:00PM. in the Charles E. Lundenberger Memorial Meeting Room. The meeting was called to order by Chairman Ackerman. All Trustees were present. The minutes of the last meeting were approved. The following bills were presented for approval.

The above bills were approved by the Board and checks were written. Don Quicksall and Justin Krantz (lead designer), of Quicksall & Assoc. discussed the detention basin project. Roy Wilson asked about the chemical dumping in the township and what the chemical was. Shawn Lynch, Bolivar Fire Dept. Chief, said it was being handled by the EPA and they were not discussing it. Wilson also asked about the poles that were erected around the McDonalds area. Trustees said they were permitted by the state without our permission. Trustee Ritterbeck said he is trying to get the internet cables put underground. Roy Wilson and Lilajeon Slatzer complained about open burning at the apartments on Rt. 212. Fire Chief Lynch told them to call 911 and Bolivar Fire Dept. will take care of it. Fiscal Officer McClellan informed the trustees that Resolution 18-16 putting the fire levy on the November ballot was delivered to the Board of Elections. The Board then discussed Township affairs in general. A motion was made to go into executive session and seconded. Trustees came out of executive session.
