The Trustees of Lawrence Township met in regular session at 7:00PM. in the Charles E. Lundenberger Memorial Meeting Room. The meeting was called to order by Chairman Ackerman. All Trustees were present. The minutes of the last meeting were approved. The following bills were presented for approval.

The above bills were approved by the Board and checks were written. Jerry Wright of 10012 Lawnridge had a water problem from the new curb the township installed. Road Superintendent McNutt said he was aware of the problem and was working to have the curb redone and believed that would solve the problem. Tedd Finlayson inquired about the progress on appointing a fire prevention officer. Trustees said they are looking into it and should decide soon. Trustees and fiscal officer discussed a records retention plan. The township will have a tire disposal at the township building for one day only, Saturday October 21, 2017. The trustees then discussed Township affairs in general and a motion to adjourn was made and so ordered by the Chairman.
